The deployment is supposed to be done at 5:00 today, so if they're still having the issue tomorrow, let me know.

Subject: Database error

Hi Emily,

A sub just made me aware of an error on the client intake form on the new database. They have a client in Kansas City, but when Jackson County is selected, KC is not in the "City" drop down menu as an option. Can you please let ITSD know that it needs to be added to the "City" drop down?

Thank you!

Carrie
